DETAILED ACTION

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Change second occurrence of Claim 16 to Claim 17.

Information Disclosure Statement

The information disclosure statement (IDS) submitted on 8/31/2001 has been considered by the examiner.

Drawings

The Drawings submitted on 8/31/2001 has been considered by the examiner.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Liberman discloses a radiation blocking device having a radiation shield and a connector for use with a portable communication apparatus such as cordless or cellular phone in which the connector of the radiation blocking device is attached to the antenna. The reference does not disclose the detachable coupling assembly mounted

Art Unit: 2617

on the radiation shield assembly in such a way that the radiation shield is folded in the rear of the cellular phone in combination with the rest of the limitations in the claim.

Schwanke disclose a cellular telephone having a electromagnetic radiation shield in which the shield is mounted to the housing of the telephone in such a way that the shield is foled in the front of the cellular phone. The reference does not disclose the the detachable coupling assembly mounted on the radiation shield assembly for the radiation shield to be folded in the rear of the cellular phone in combination with the rest of the limitations in the claim.

The combination of the references described above do not teach the implementation of the coupling assembly for the radiation shield to be placed in the rear of the cellular phone in combination with the other limitations in the claim.

The other cited prior art references do not teach or suggest of coupling assembly in combination with the other limitations in the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance.
